

WHMIS 2015 GHS

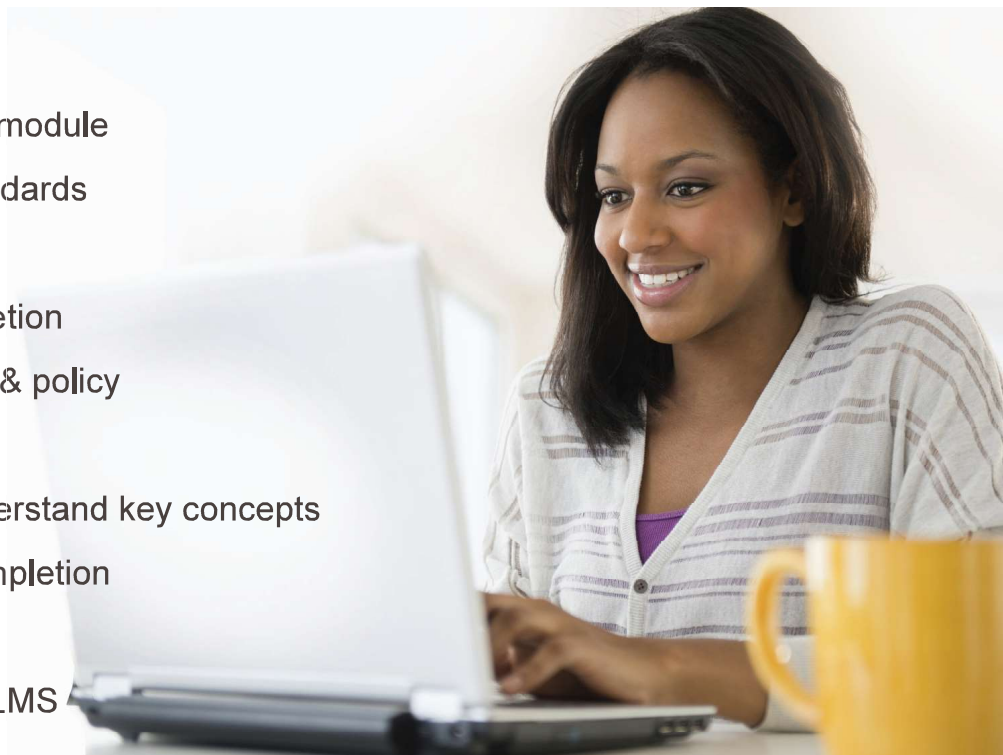

Train your employees on how to safely handle, store, and dispose of hazardous materials to prevent workplace accidents.

www.whmistraining.biz

HR Proactive's WHMIS 2015 GHS training program is an easy tool to help you meet your obligation to train your workers. This 30-minute e-Learning program covers the basics of WHMIS and Canadian legislation on the global harmonization system, which includes a review of hazard classes and their WHMIS pictograms, labels and safety data sheets (SDSs), and key tips for working safely with hazardous materials. The WHMIS 2015 GHS training features a quiz upon completion to ensure workers understand the key concepts of WHMIS and how they apply in your workplace.

Program Highlights:

- 30-minute interactive e-Learning module
- Meets Canadian compliance standards
- Automatic course bookmarking
- Tracks learner progress & completion
- Includes your company branding & policy
